Announcement . . .

of a Big and Very Important Shorthorn Sale

This is the 37th Semi-Annual Sale catalog for the Northwest Missouri Shorthorn Association. Fifteen members have consigned for this sale with 16 good young bulls and 55 females for your appraisal. The females are the "quick-to-profit" kind. Twenty-two of them have calves at foot; twenty-two have long service dates to a lot "better than average" herd bulls. Ten nice open heifers complete the offering.

Dr. Holmes of Kansas City, Missouri, is reducing his herd and is consigning 35 of the females. About one-fourth of these are polled animals, indicated by an "x" with their name and number in the catalog. These cattle are only in fair flesh. They have calves sired by, and the cows are bred to S. F. Adonis, Kansas State Fair Grand Champion Bull.

At the beginning of the sale we will sell 25 excellent Club Calf prospects. There will be steers, heifers, and bulls. The heifers will be registered and transferred. There will be a drawing at the end of the Club sale. The Association will give \$25.00 to each of four FFA or 4-H members who draw the lucky numbers. Each Junior Breeder is entitled to a number in the drawing for each animal he purchases.

This is a **big** sale. Many head of top cattle are being offered—the kind that will make money for the purchaser. Shorthorns are on the march. There have been more State Fair Grand Champion steers than usual this year. At the recent Nebraska State Fair, "the Beef State," a Shorthorn was champion.

The Club calves are a choice lot. The Burns' calves are all sired by Fontana Everlasting. This is an excellent bull and sires the low down, thick kind of calves. The Ogden calves are sired by the reserve champion bull at the Iowa Royal Sale last year. You will find both steers and heifers in this lot that will look good in any company.

Be on the seats sale day. This is a **big sale**. The cattle are not highly fitted, but they are good, have good pedigrees, have lots of calves at foot, and good long service dates. They will be a good investment.

You are cordially invited to attend the sale.

General Information

LOCATION—The sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, south part of Maryville, Missouri, on Monday, October 1, 1962. Sale at 12:00 noon. There will be no show.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

GUARANTEE—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bang's, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold, and for each calf at foot, and an application for registry will be furnished for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy who cannot be present, may send bids to Mervin F. Aegeter, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association, or to Mark Dempsey, Missouri Ruralist.

BARCLAY LAVENDER JUNO—Probably will be the only daughter of Crichton Prince Charlie we will sell. She is right out of the pasture as we hadn't intended on selling her. She is out of a very good imported cow which is the dam of a heifer we sold to Oscar Deason in Oklahoma, and of the good bull we sold to Barney Helms. Pasture bred in May or June to Northwood Man o' War.
